Reminders

Quarantine Protocol:

Our COVID-19 cases in Frederick County are currently low but are slowly increasing, and schools will be back in session in a few weeks. Current protocol is that anyone who is a close contact with someone who tests positive for COVID-19 AND who is not fully vaccinated will need to quarantine (stay home from school or work) for a minimum of 7 days.

Most fully vaccinated people with no COVID-like symptoms do not need to quarantine (be restricted from work or school) or be tested following an exposure to someone with suspected or confirmed COVID-19. [CDC Information](#).
